 BONE WHITE ★★ SR .70 SRI 85			

Note: Mesco coatings are directional. Panels and trim must be installed oriented in the same direction to prevent perceived shade variances. Directional arrows are on the back side of panels and trim to aid in the proper orientation.

- Final color selection should be made from actual color chips.
- All products available in smooth or embossed finish.
- Heavier gauges, narrower widths, striations and embossing minimize "oil canning."
- All Signature® 300 and 300 Metallic are low gloss colors.
- A 25-year limited paint warranty available for all colors upon written request. (Outside the continental United States, please inquire.)
- Signature® is a registered trademark of NCI Building Systems.

★ Energy Star® Qualified Color through our ENERGY STAR® partners, MBCI.

* Minimum quantities and/or extended lead time may be required. Please inquire.

† Polar White is a Straight Polyester.
