● Available in any quantity, no minimum required.

■ Minimum quantity may be required.

* Signature® 200 White available in any quantity.

- Final color selection should be made from actual color chips.
- See product selection chart for gauge and color availability.
- All products available in smooth or embossed finish.
- Heavier gauges, narrower widths, striations and embossing minimize "oil canning."
- All Signature® 300 and 300 Metallic are low gloss colors.

- Polar White is a Straight Polyester.
- A 25-year limited paint warranty available for all colors upon written request. (Outside the continental United States, please inquire.)
- * This color is California Title 24 compliant. Availability in certain areas may be restricted or require a surcharge.
